The Adventure of Dragon Island

At dusk Jim and Polly the parrot arrived at Dragon Island with their old, battered ship at Anchor Bay. They went to Dragon Island because

they wanted to find Grandpa Jim's treasure before Evil Red Beard the Devil finds it.

So they set off to look for the treasure in

Shark Bay. The next thing knew that the bad pirate ~~was~~ following them. Next they got tricked by the bad pirate because Evil Red Beard the Devil told to wrap a snake around their neck because it is good luck. They realised it was poisonous so they got the snakes off their necks quickly.

When they got away from the danger they

Went to poison pool
and found the treasure
chest near one of the
trees. Excitedly they
started digging with
their spades until they
found it.

After that they tiptoed to the dragons' cave and
sneakily they got the key.

They then decided to trick the bad pirate by going
up the volcano for a better view. When they tricked
the bad evil pirate they escaped from him
safely back to the ship.
