*School* Sample School, Borsetshire  
*School Year* Y3 *Date of Birth* 5 February 2010

1<sup>st</sup>Class@Writing is an Every Child Counts literacy intervention developed by Edge Hill University. It helps pupils who have fallen behind at writing to get back on track and catch up with their peers.

A trained teaching assistant delivers up to 60 stimulating and motivating 40-minute lessons to a group of up to 4 pupils, 4 times a week, in addition to their class lessons. The pupils develop key skills of spelling, handwriting, grammar, and punctuation in order to complete daily writing tasks bound up with the thematic adventure stories. They develop their composition and editing skills through a balance of supported 'one-liners' and sustained, independent writing.
