

Accessible Nature Trail Open Day

Claver Hill - Ridge Lane - LA1 3JY

Saturday 27th July 2024 1pm to 4pm

You are invited to celebrate the opening of the Claver Hill Accessible Nature Trail. A surface suitable for wheelchairs and pushchairs, where local residents can enjoy nature or participate in the many community projects on site.

Come along to find out about Spud Club, where you can help out and share the harvest, or our other initiatives: Seed Library, Flower Farm, Beekeeping, Natural Dyes, Global Link Food Growing Project and our Tree Nursery and Poly Tunnels.

There will be guided walks and fun activities for all the family, tea, coffee and cakes available and a stall selling our preserves and surplus produce.

(There is limited parking at Claver Hill - if driving, please park near Central Lancaster High School)
