

Welcome to Omnis

To begin go to:

Omnis

<https://omnis.edgehill.ac.uk/webapps/consulting-central/app/launch/TDMv2>

This will bring you through to the **Home** page and **Catalogue**.

In the top right-hand corner click on the link to **Sign up**.

Complete the **Create Account** page.

All items labelled with a * must be completed. All other fields are optional.

N.B., we ask that you use your school email address when you sign up. This is to help us identify you and grant you access.

Sign Up

Create Account

Please complete the required fields in order to create an account. If you already have an account please use the [Sign in](#) option instead.

Personal information

* Email Address

Enter email address (email@mail.co.uk)

* First Name

Enter First Name

* Surname

Enter Surname

Security

Please enter the password that you would like to use to access your account. The password is case sensitive.

Country

Once you click on **Save** it will process creating your account and then email a Confirmation Code to the email address you entered.

You will need to enter this **confirmation code** to finish creating your account.

You will then see a screen to
Sign In...

...which will return you to the Login screen.

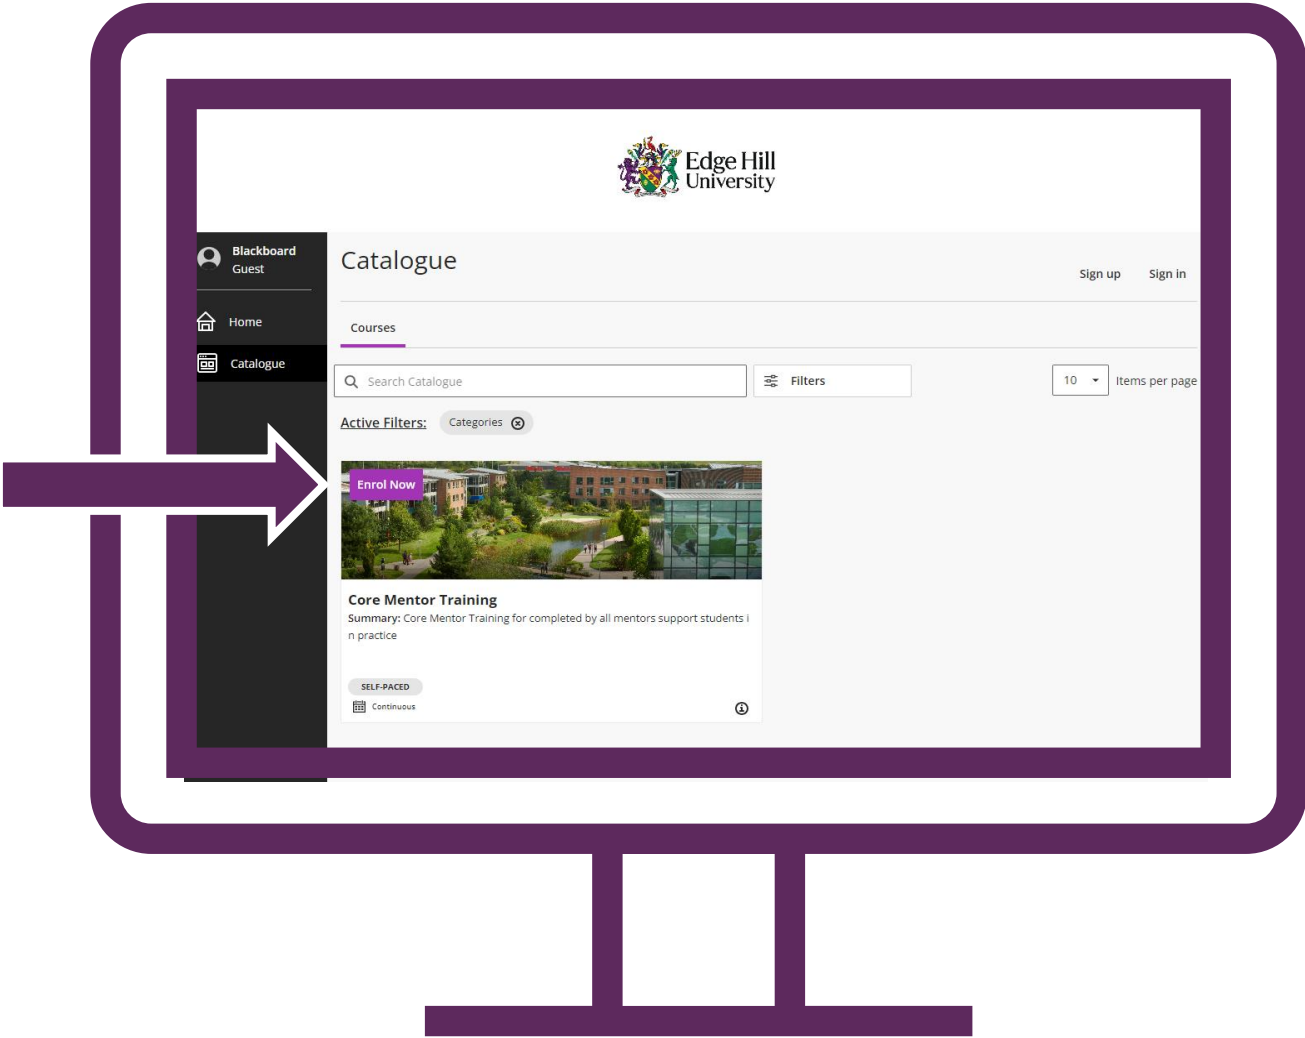

Use the details you have just created to **Sign In**.

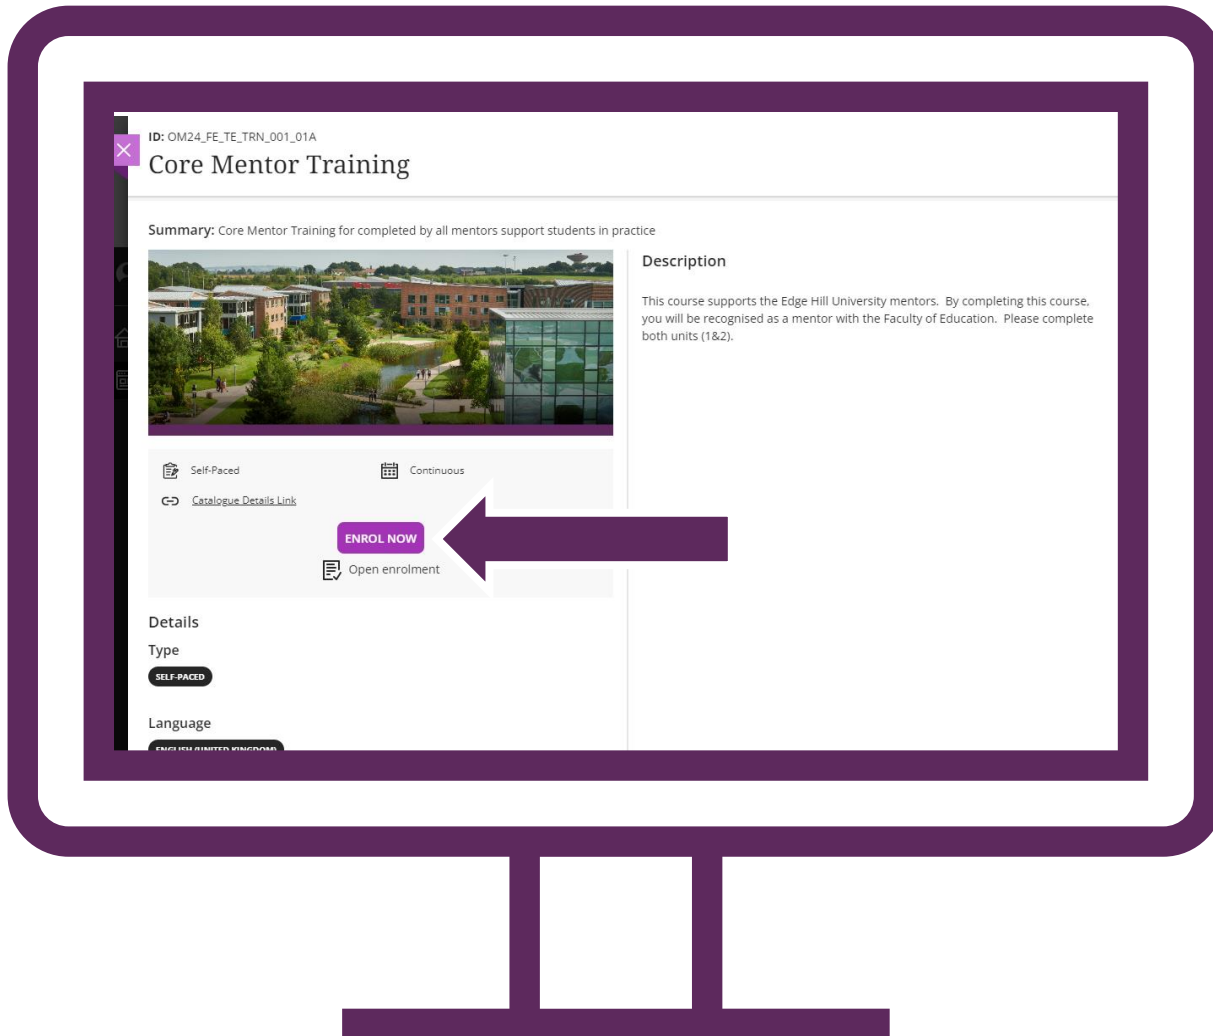

You can now click on the catalogue item for **Mentorspace**.

Which will allow you to enrol on the **Core Mentor Training**.

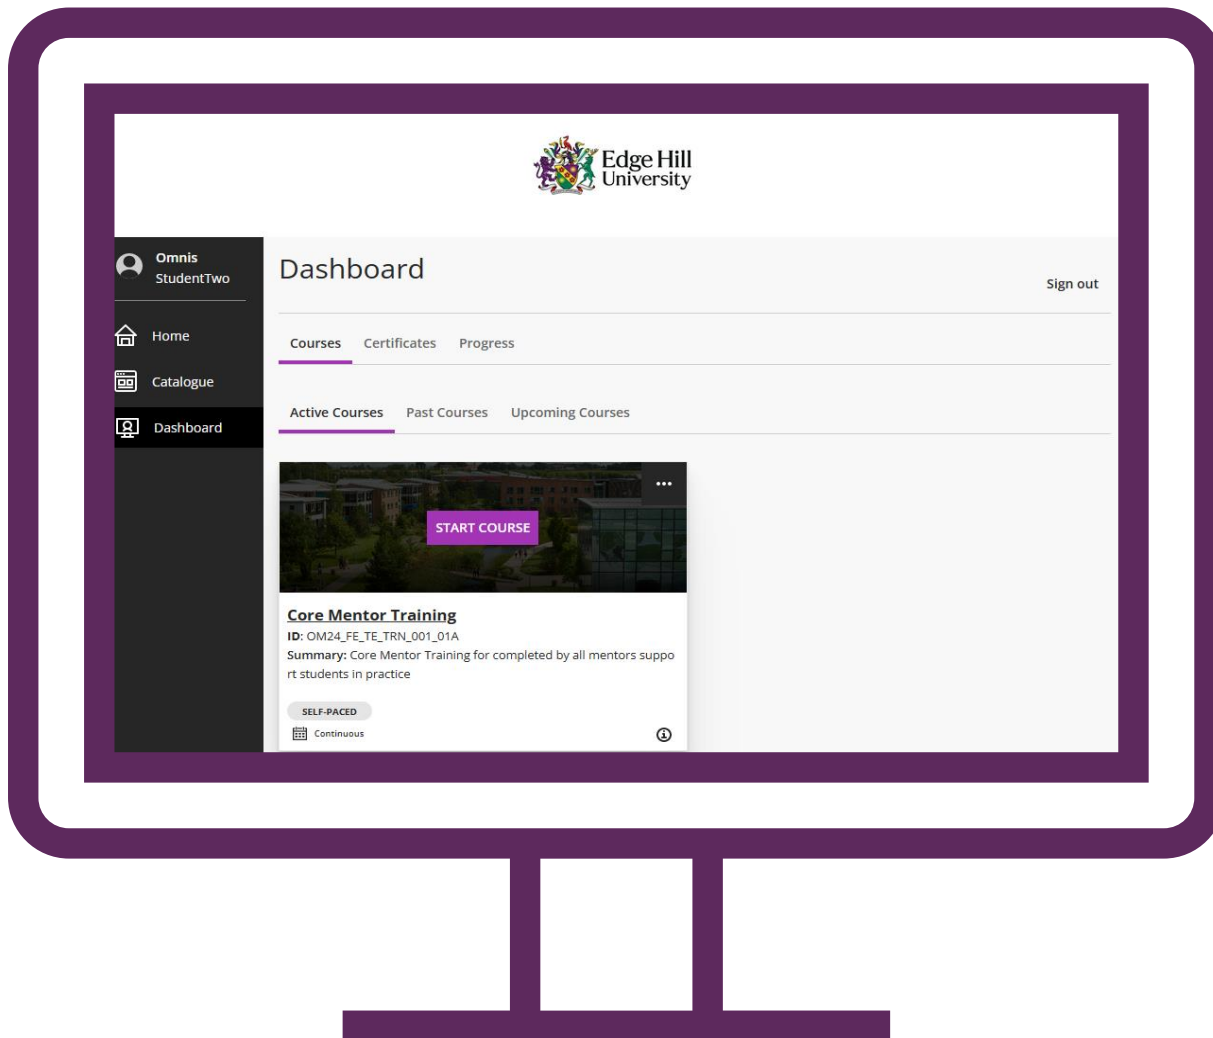

Click onto **Enrol Now**.

Confirm your enrolment.

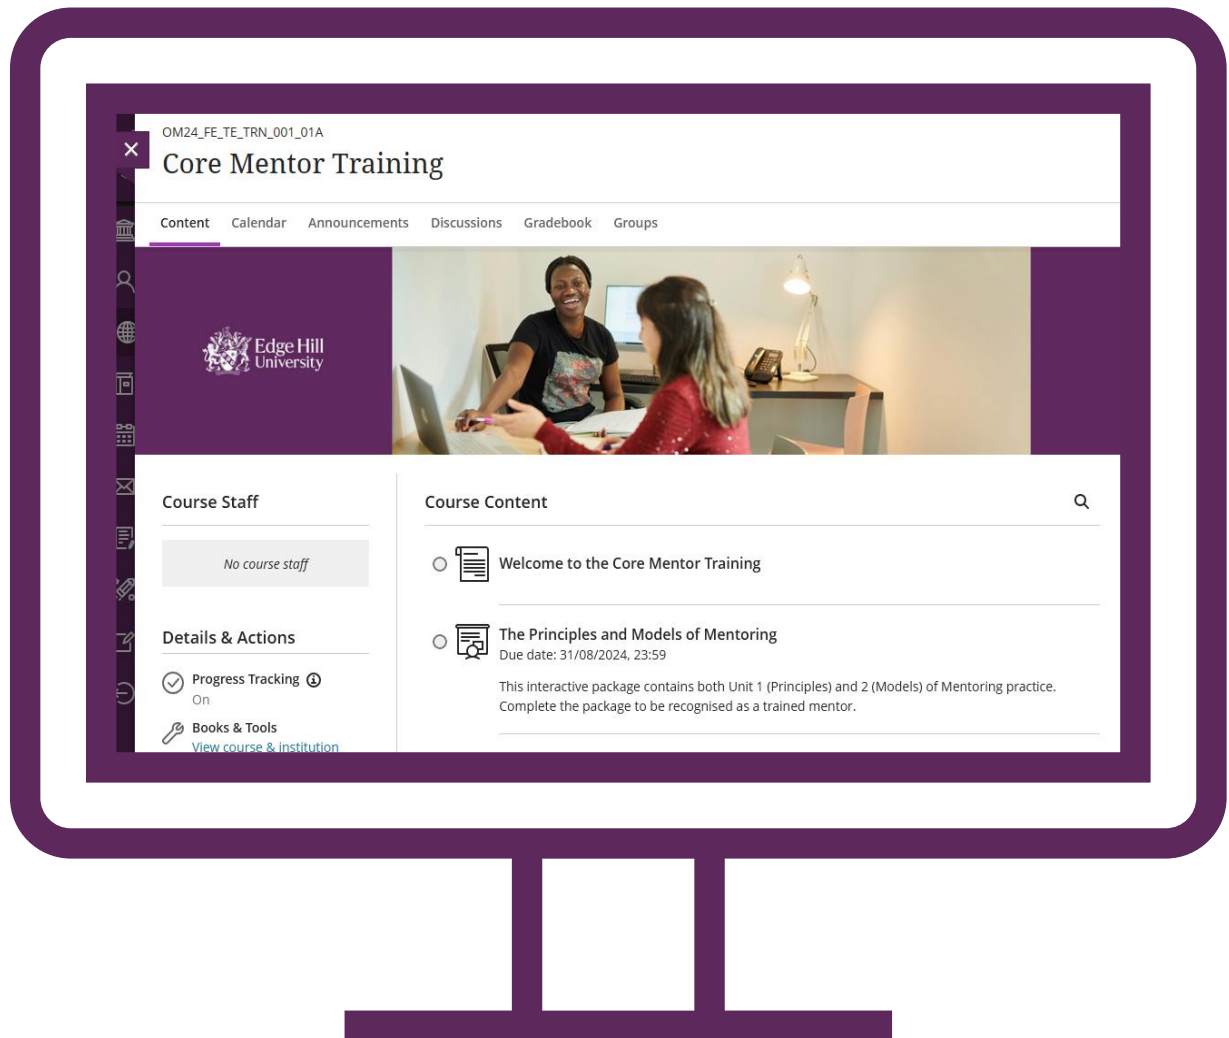

Click on the course once you have completed your enrolment.

Click on **Start Course**.

You're ready to begin.

Click on the content to **read**,
watch, and **interact**.

The main content can be found
within 'the Principles and
Models of Mentoring' area.

The screenshot shows a Blackboard LMS interface for a course titled "Core Mentor Training" (ID: OM24_FE_TE_TRN_001_01A). The main content area displays a list of course items under "Course Content":

- ✓ Welcome to the Core Mentor Training
- 📄 The Principles and Models of Mentoring
Due date: 31/08/2024, 23:59
This interactive package contains both Unit 1 (Principles) and 2 (Models) to be recognised as a trained mentor.
- 📄 Generate certificate
Due date: 31/08/2024, 23:59
Content isn't available
To access, you must have first worked through the Principles and Models of Mentoring step to generate your certificate. The acknowledgement of completion is required.

The sidebar on the right is open to the "The Principles and Models of Mentoring" item, showing the following details:

- Details & Information**
 - 📅 Assessment due date: 31/08/2024, 23:59
 - ☑ Attempts: Unlimited
- Marking**
- The Principles and Models of Mentoring**
 - 📄 Maximum points: 100 pts on completion
Draft saved on 21/12/2023, 10:46
- Description**

This interactive package contains both Unit 1 (Principles) and 2 (Models) of Mentoring practice. Complete the package to be recognised as a trained mentor.

A "Continue attempt 1" button is visible at the bottom of the sidebar.

When you click into the main area, you can choose to **start** or **continue**. This is so that your progress is tracked and recorded.

You can return to the content as many times as you need.
