Password Strength

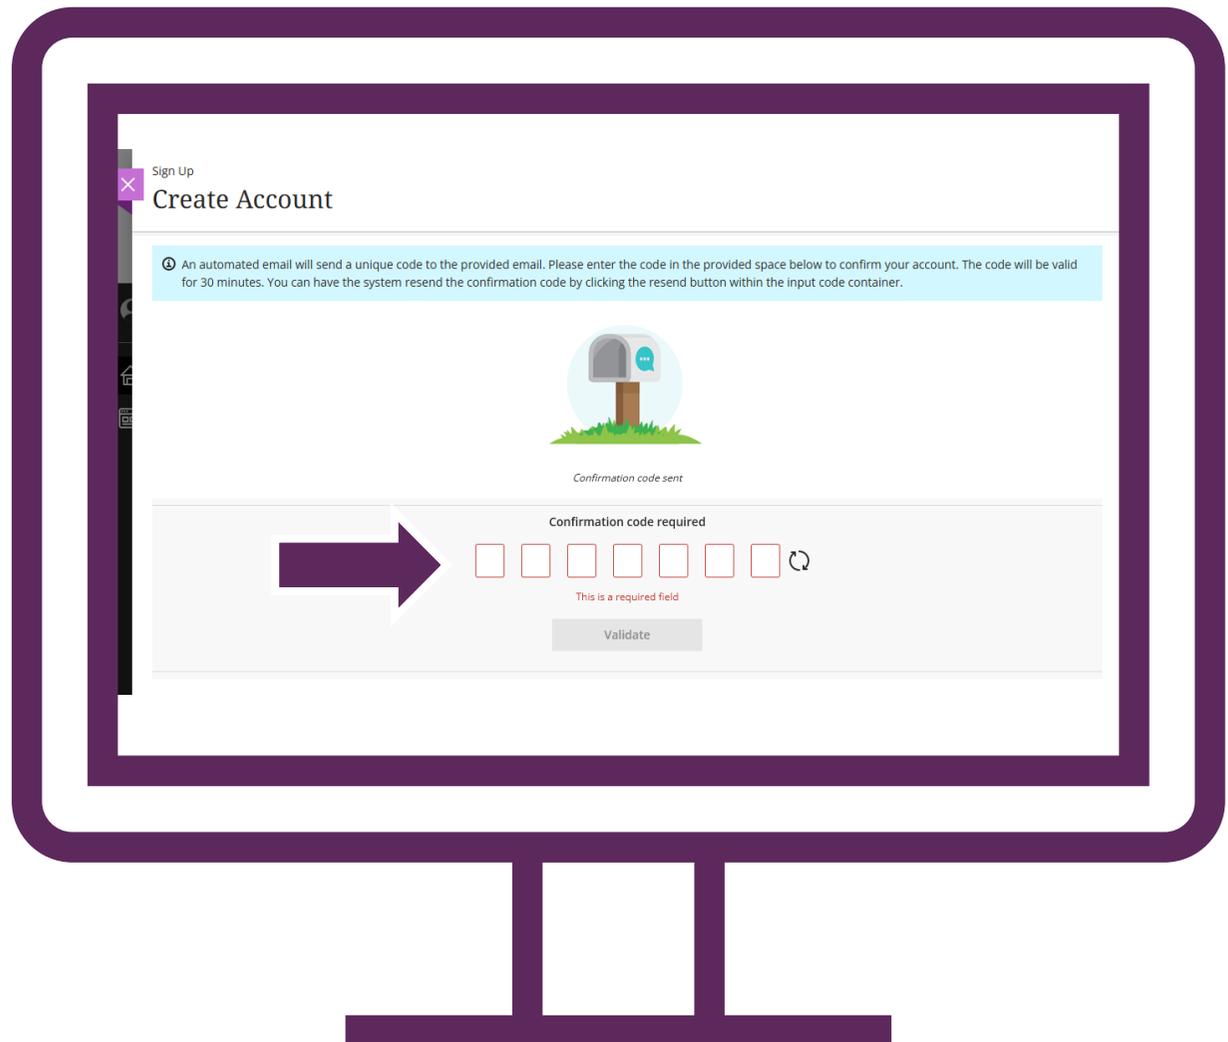

### Address Information

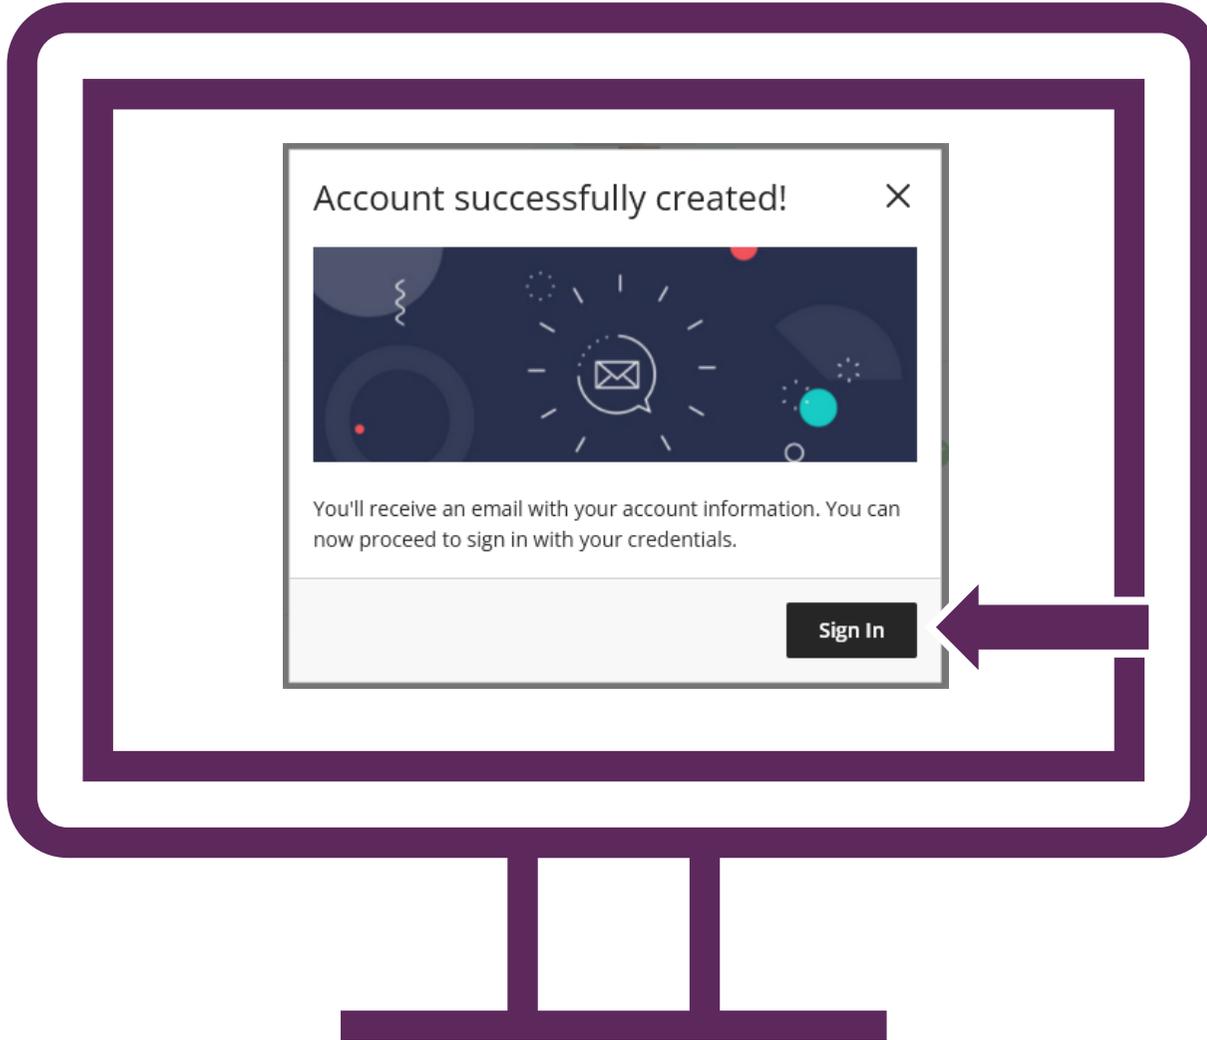

City

Country

Once you click on **Save** it will process creating your account and then send an email with a Confirmation Code to the email address you entered.

**N.B:** You will need to enter this **confirmation code** to finish creating your account.

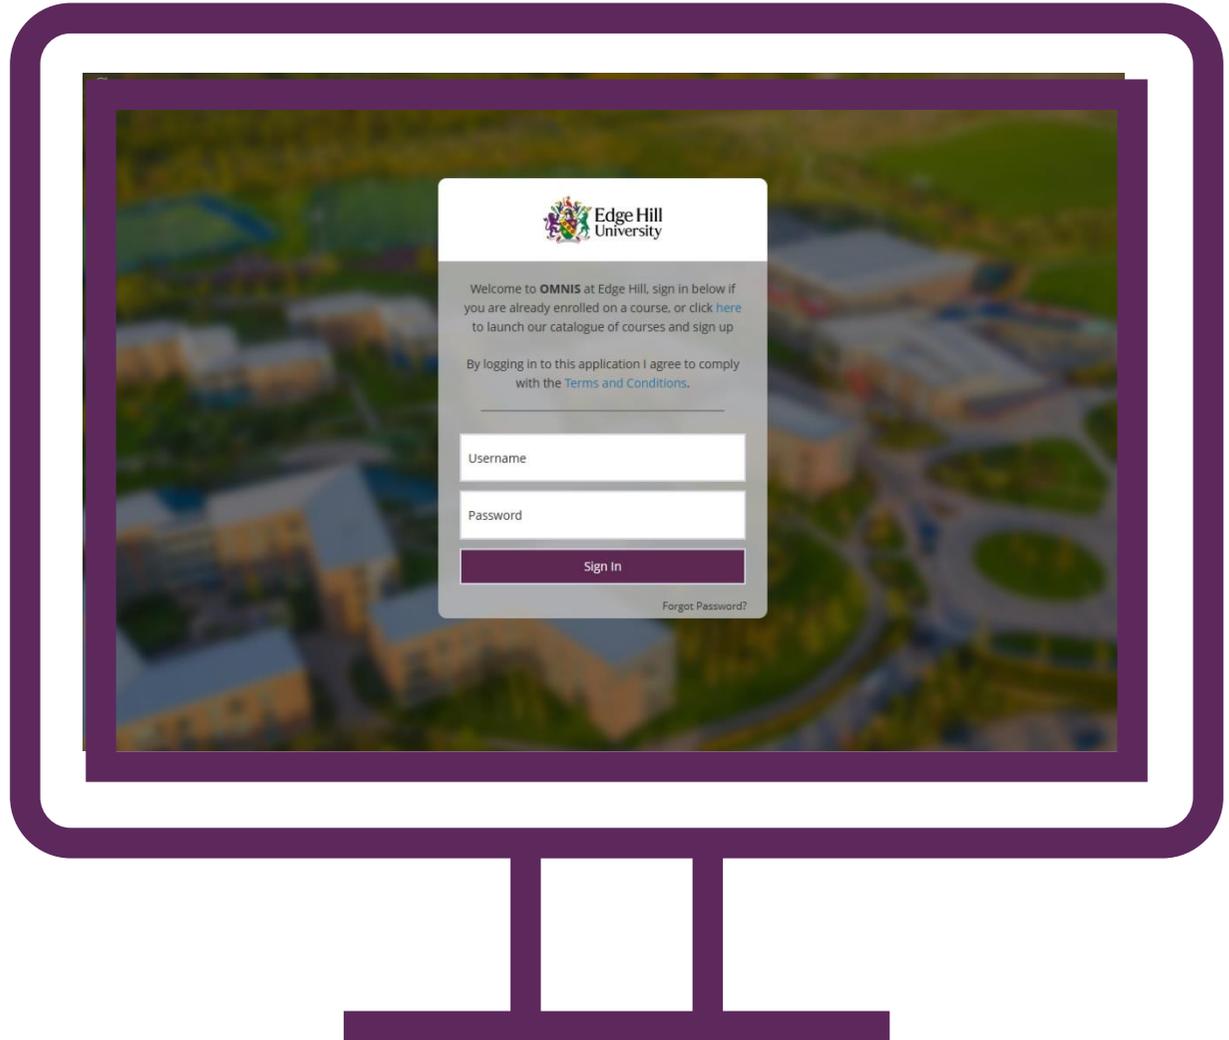

You will then see a screen to  
**Sign In.**

Which will return you to the Login screen.

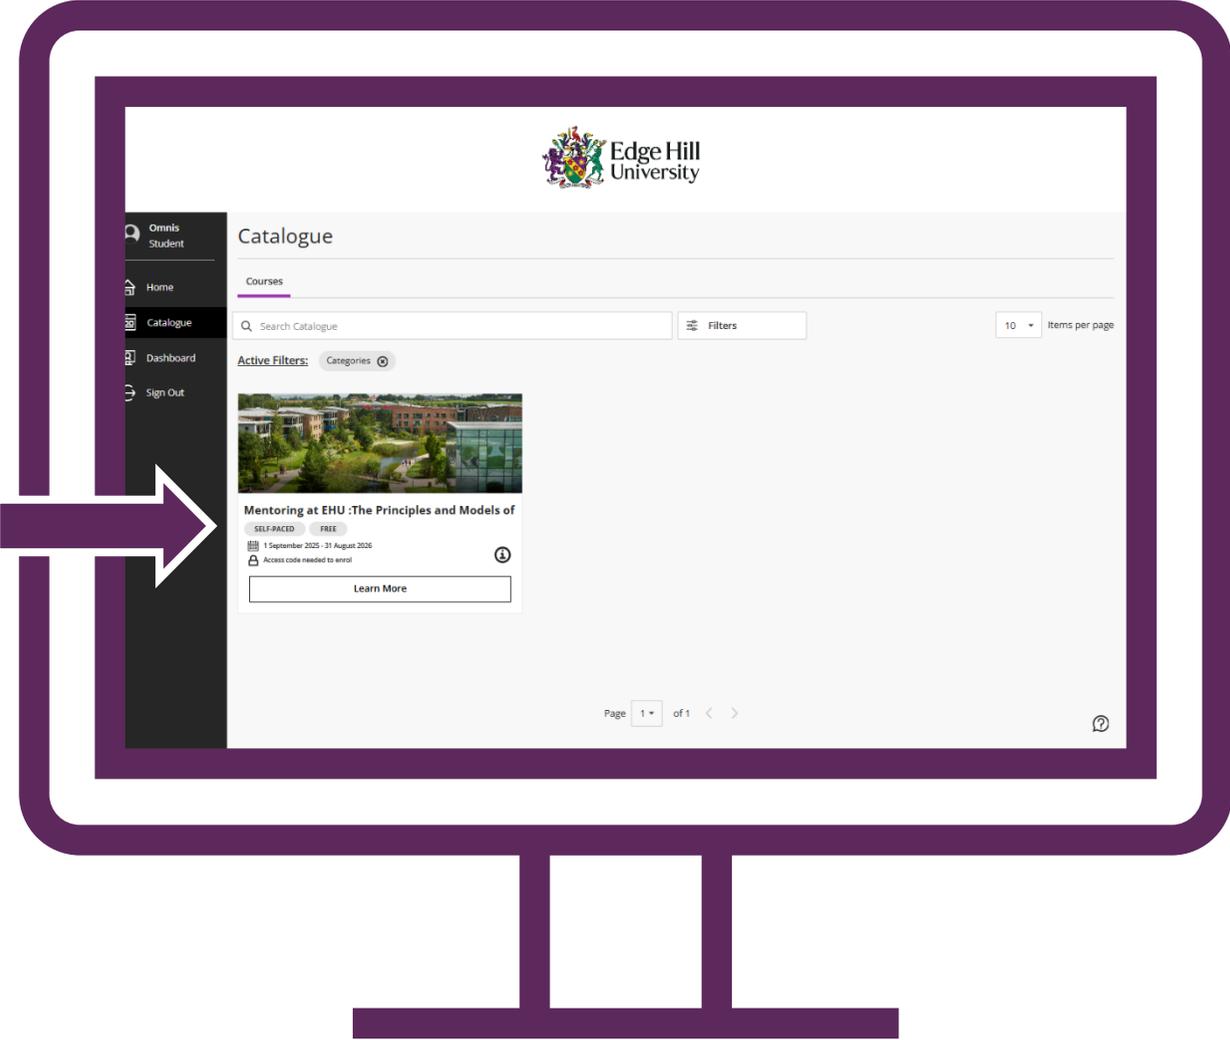

Use the details you have just created to **Sign In**

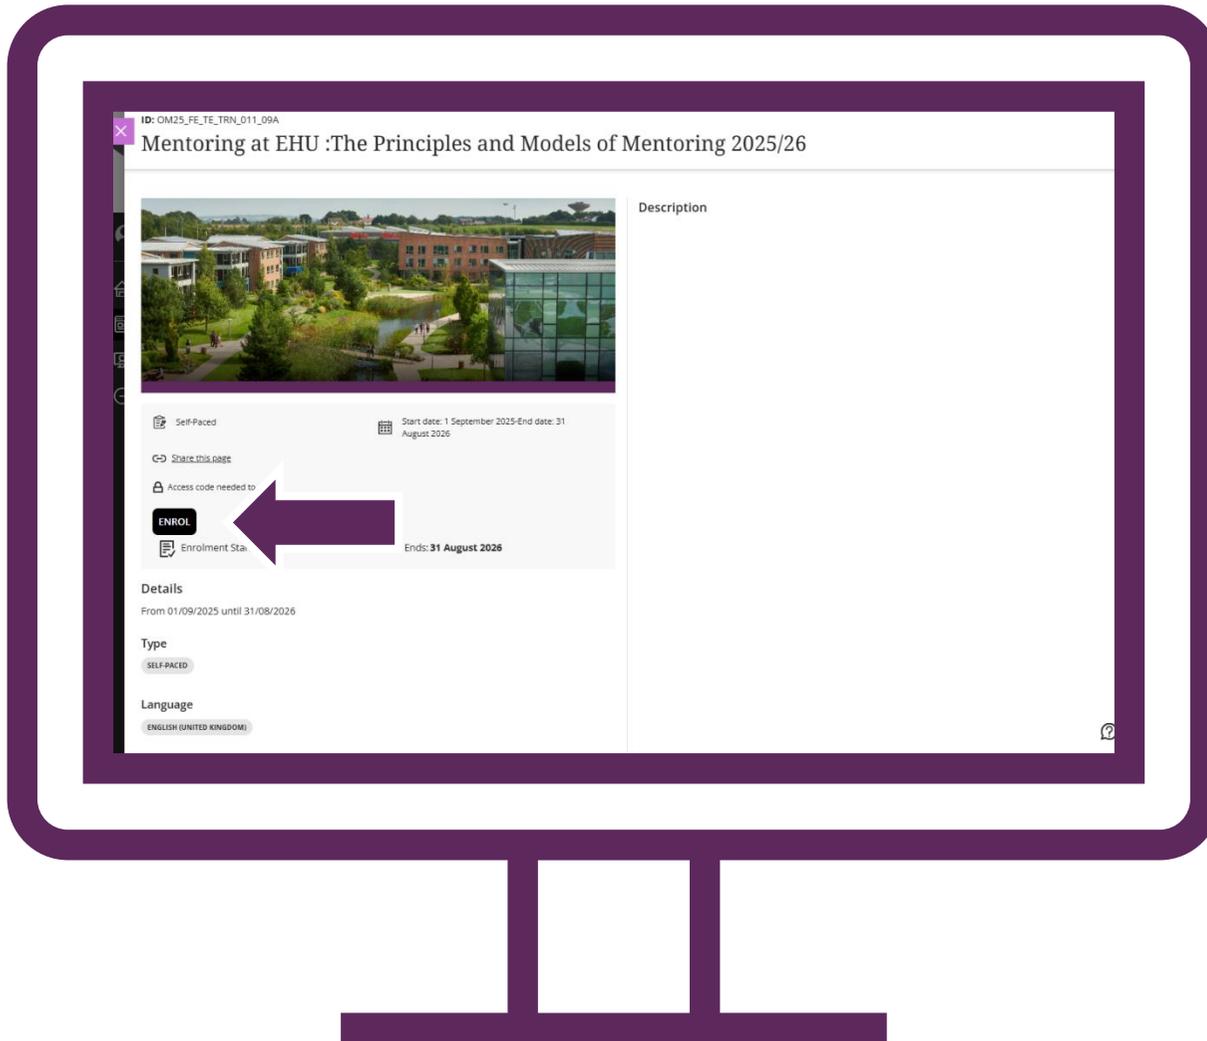

You can now click on the catalogue item for **Mentorspace**.

Which will allow you to click on the Mentoring at EHU course to enrol.

Click on **Enrol**.

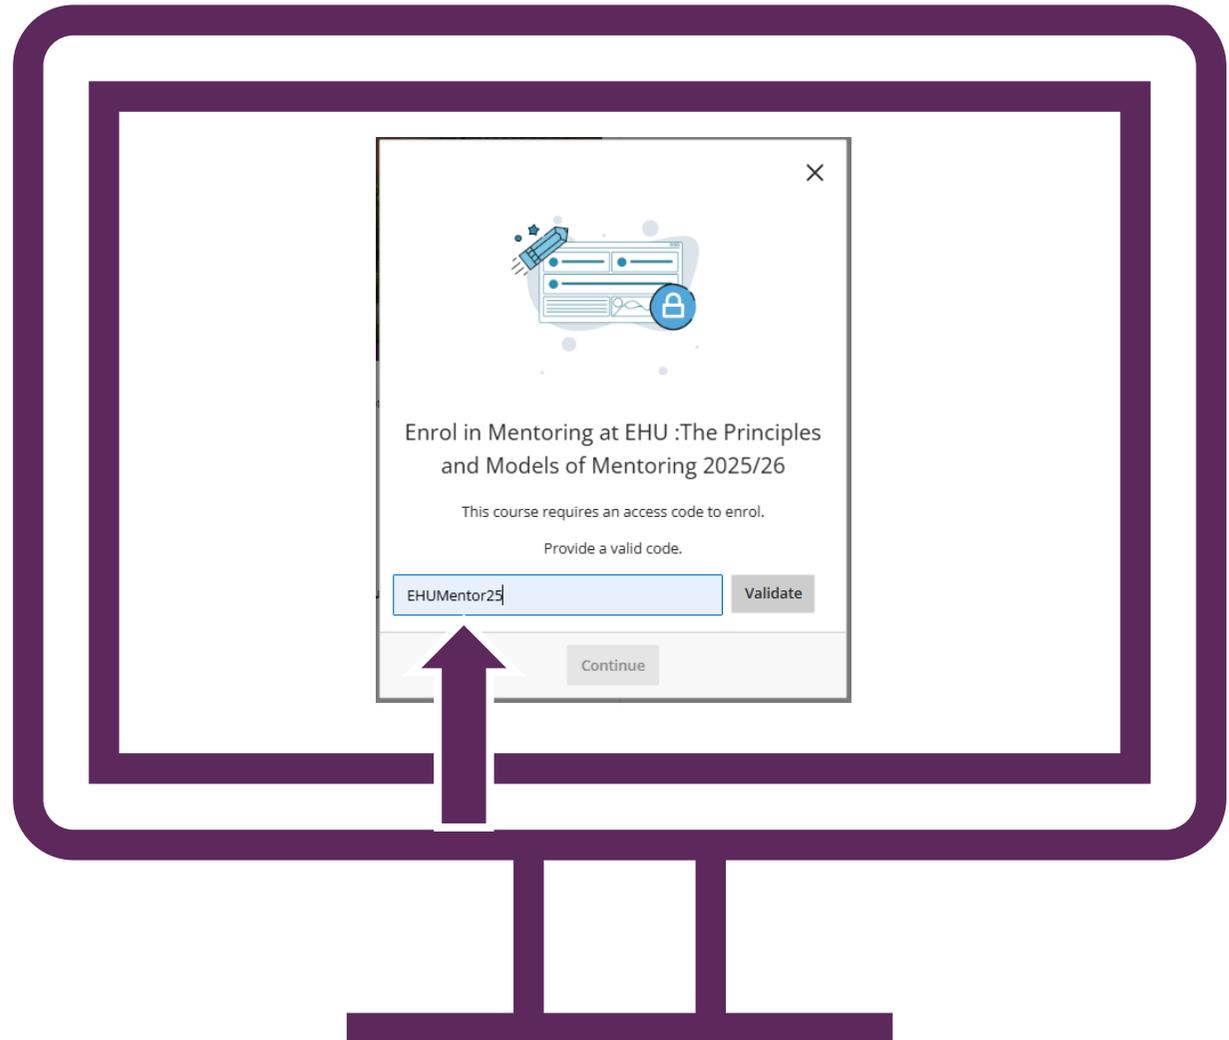

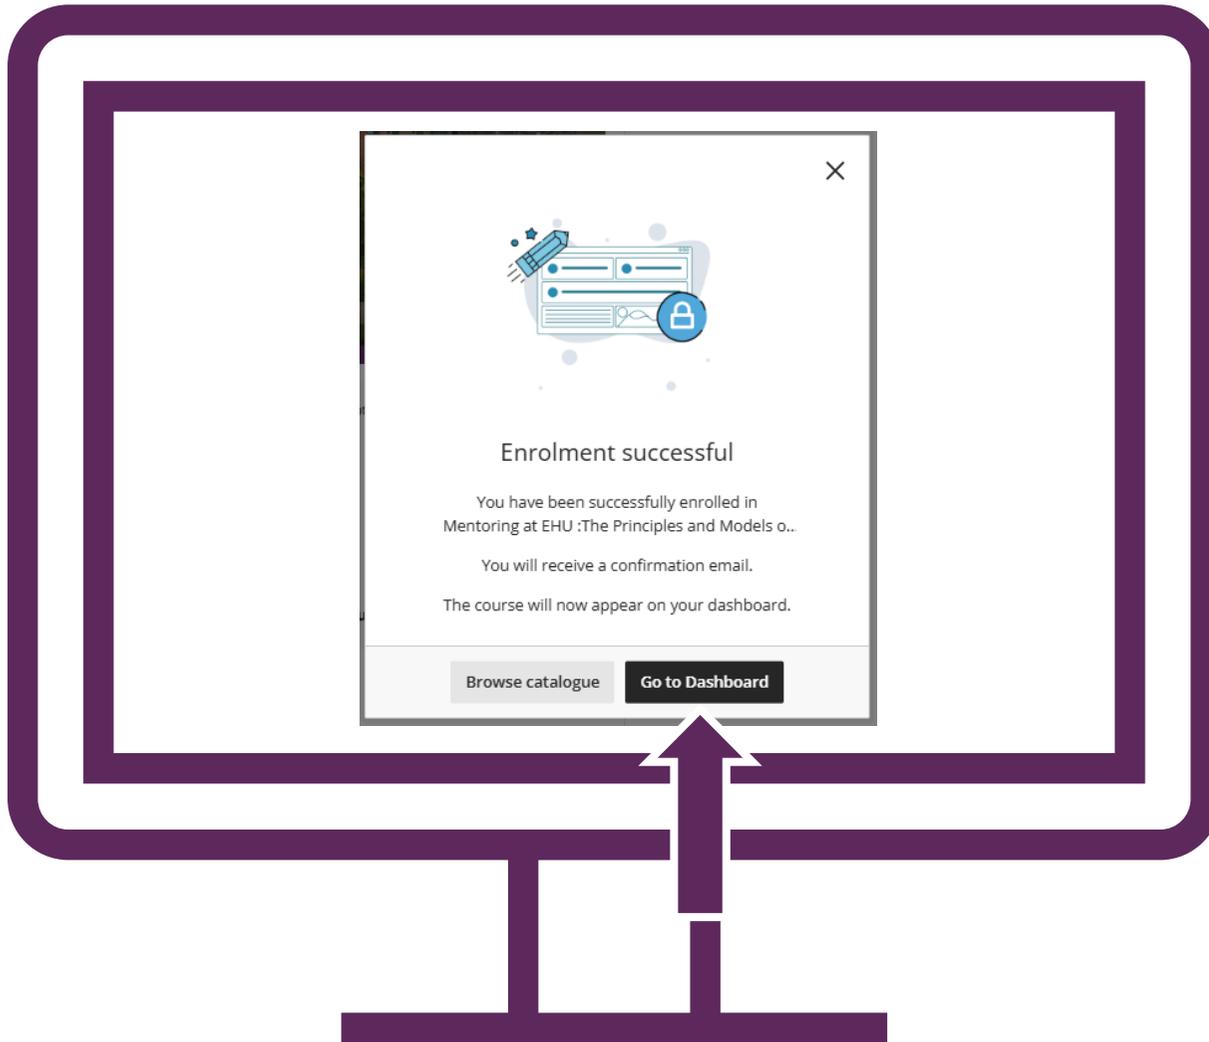

Enter the access code:

**EHUMentor25**

Please note the access code is case sensitive.

Wait for the code to Validate, then Continue.

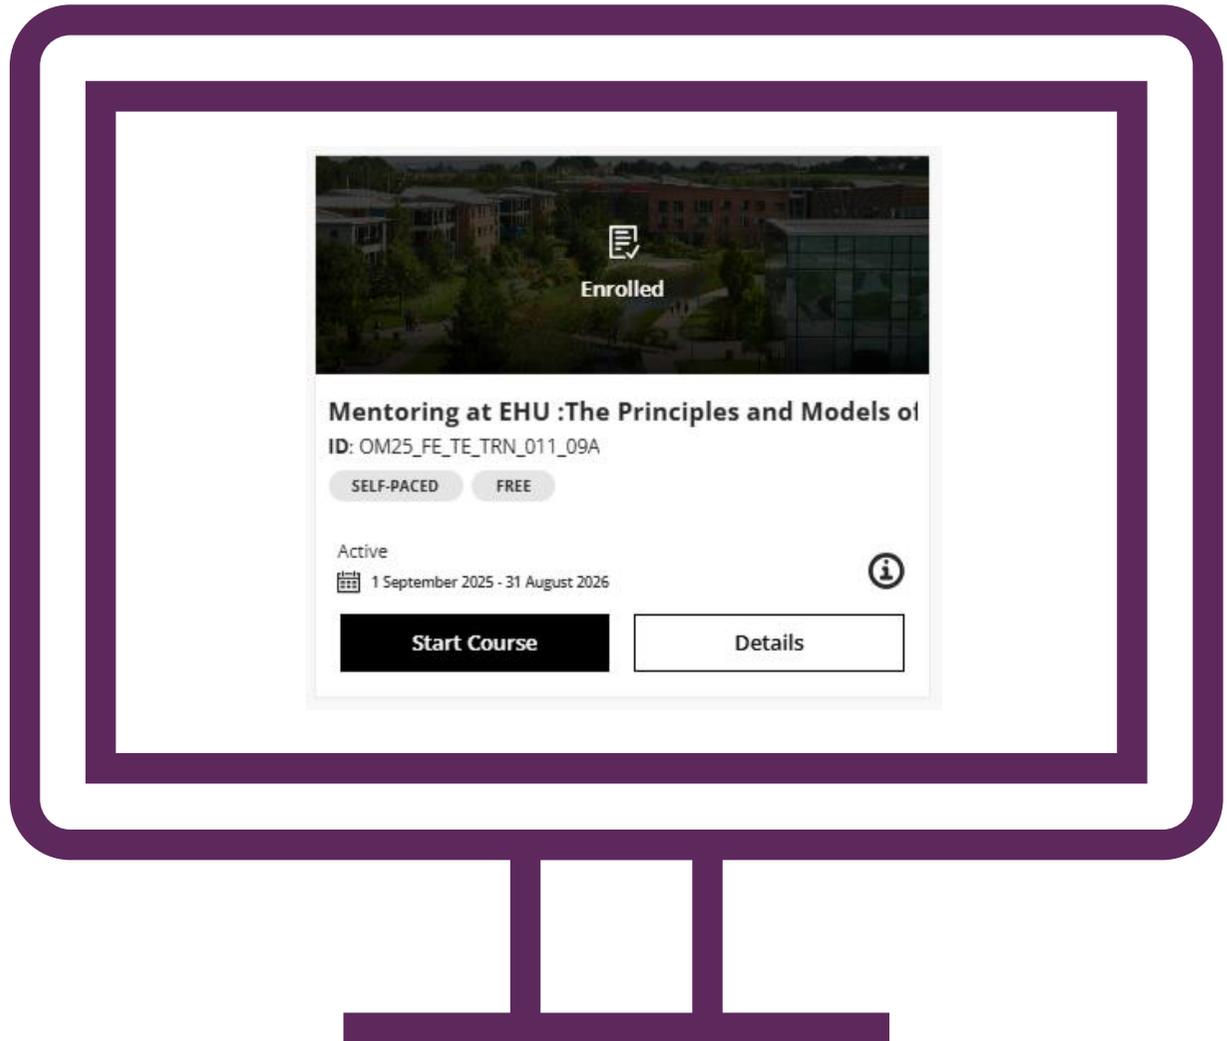

Click **Go to Dashboard**.

You're ready to begin.

Click on **Start Course**.

Begin with the Core Unit –  
either **New to Mentoring** OR  
**Refresher** depending on  
whether you have completed  
previous training or not.

## Course Content

○  Welcome to the Core Mentor Training

### Core Unit

You must complete this Core Unit to verify being a trained Mentor with Edge Hill University. If you have not previously completed the Principles and Models of Mentoring package you will need to complete it. Otherwise, if you are a returning Mentor who has previously completed the training then you only need to take the Refresher training.
